How to use Focal Point Freedom

The Focal Point Freedom APP is designed to allow residents to grant visitor access. The APP is **not intended for residents to use and gain access.**

After downloading the **Focal Point Freedom** APP obtain the server ID, user name and password from leasing personal.

Server ID: _____

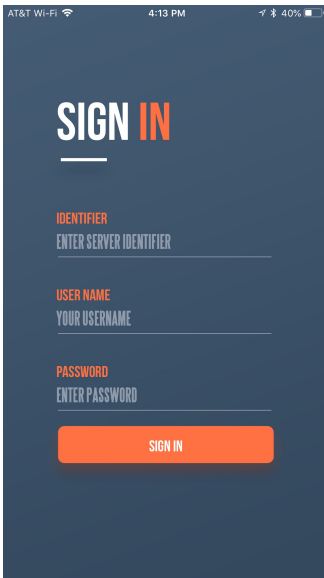

User Name: _____

Password: _____

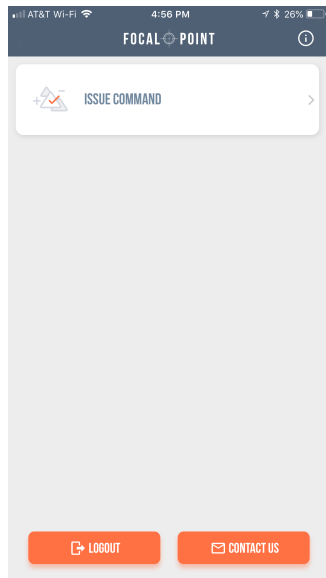

(All three are case sensitive no spacing is needed for the server ID)

When a visitor arrives please follow these steps.

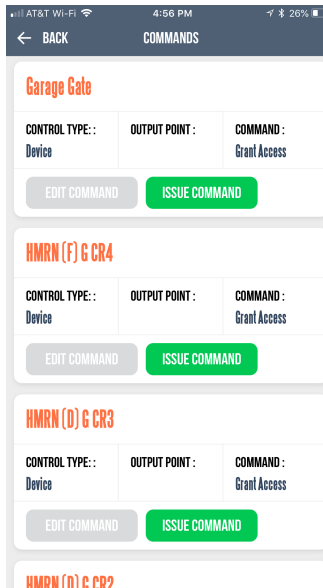

Open Focal Point Freedom APP and login.

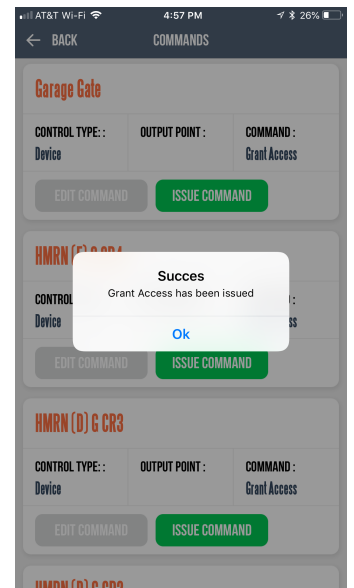

Touch Issue Command.

Find location visitor is at and touch issue command.

Success

If you force close the APP you won't have to re-enter the login information the next time you open the APP.

(Search " Entry Tech Focal Point " on YouTube for video)

The Focal Point Freedom Server is updated the last Friday of every month from 11AM-2PM. During this time the service will not be available.
